

CHS-30

The CHS-30 VIP Gear Bag is perfect for carrying a small system of the popular SlimPAR Tri and/or Quad IRC fixtures along with control and cabling to go along with it. Each bag has padded internal compartments large enough to hold up to 4 fixtures, a small controller and cables to connect the system together. Protect your investment from bumps and scratches with these handsome CHAUVET branded gear bags.

Highlights

- Durable, soft-sided bag designed to transport LED Par fixtures from show to show
- Custom-designed bag carries up to 4 CHAUVET DJ lights, connecting cables and a controller
- Easily transports all your gear using 5 internal and 2 external compartments
- Accommodate various-sized gear with removable dividers
- Designed to fit different types of fixtures including the SlimPAR IRC series
- Safeguard your fixtures during transport with padded, internal compartments
- Save time during set up and tear down with easy access to each compartment
