

MKE 200 Mobile Kit

MKE 200 directional on-camera microphone with Smartphone Clamp & Manfrotto PIXI Mini Tripod

MKE 200 MOBILE KIT

MKE 200

Directional on-camera microphone with built-in wind protection and shock absorption for enhanced in-camera audio. Compact design with sleek and stylish finish, standard cold shoe mount for universal and battery free operation. Includes 3.5 mm TRS and TRRS coiled cables for compatibility with DSLR and mirrorless cameras or mobile devices.

Smartphone Clamp

Made of solid aluminium and provides soft rubber grips for a secure hold for nearly all mobile phones. Includes an adjustable 180-degree locking dial to align a preferred aspect ratio in portrait or landscape.

Manfrotto PIXI Mini Tripod

A durably constructed, lightweight mini tripod with ball head and push-button locking mechanism for flexible positioning and a firm grip. The rubber feet provide a non-slip grip on most surfaces and the extendable legs allow comfortable handheld vlogging with added stability.

FEATURES

- Mobile Kit for vloggers and content creators on the move
- Compact by design for easy access and storage
- MKE 200 microphone with integrated windscreen and shock mount
- Smartphone Clamp with cold shoe mount for portrait or landscape orientation
- Manfrotto PIXI Mini Tripod with adjustable locking ball for flexible positioning and control
- Durably constructed components for daily use
