

PC-1865BS

The ceiling speakers of the PC-series are suitable for announcements and BGM system use in high quality. The speaker's design harmonizes with modern architecture and decor. The PC-1865BS is equipped with a fire dome to protect it from fire and to prevent fire from spreading through the ceiling. Thus, the speaker is designed according to British Standard BS 5839-8: 2008 and EN54-24.
